MARIAN—A BICENTENNIAL YEAR

In this bicentennial year we have been reminded on innumerable occasions and in every conceivable way of our struggle for freedom and our establishment as a nation. The emphasis in most of these reminders is placed on freedom as an absence of oppression or coercion in the political, economic and religious spheres. As worthy as such a concept of freedom appears to be, it falls short since it dwells only on the negative.

On the other hand, we are incessantly reminded of another concept of freedom which many people confuse with permissiveness, the capability of doing whatever suits their fancy whether it be right or wrong. Surely freedom as an idea and a reality is sufficiently important, bicentennial year or not, to be properly understood and fully enjoyed.

We can gain this understanding by looking to the Scriptures. In the Gospels Christ tells us that the truth will set us free and that we will know the truth only if we accept and live according to His teachings. The freedom, then, of which Christ speaks is the freedom from sin-the freedom of salvation-the freedom which makes it possible for us to experience the love of God Himself.

During the four years the Class of '76 has spent at Marian, many opportunities have been afforded to learn by word and example the teachings of Christ, the Good News, the history of salvation. In this atmosphere each member of the class has had the opportunity to learn not only the academic sciences which are necessary for functioning in a technical society, but more importantly each has had the opportunity to nurture the faith brought with him four years ago. The strength of their individual faith in Christ as they leave Marian High School will determine if they will use their freedom in an imaginative and constructive way, in a way which will reflect the love of God.

It took the Spirit of 1776 to free a nation politically; it will be a strong and abiding faith in Christ today and in the future that will truly set us free and this we wish will be the Spirit of the Class of 1976.

Junior Ring Ceremony

One of the most important and momentous events of the junior year took place on December 8, 1975, when the juniors received their rings in a special ceremonial mass. Juniors acted as commentators and servers, and chose the liturgy and songs. The class sponsors, Mrs. Nancy Gillis and Sr. Arlene, distributed the blessed rings after the homily. A reception was held afterwards in the cafeteria.

College Night

On November 19,1975, interested students got a close look at different aspects of college during Marian's "College Night". Mr. Risner served as master of ceremonies for the event, which included talks by college representatives on such topics as financial aid and admissions procedures.

CHEERLEADERS . . .

The Spirit Of '76!

Spirit at Marian begins with our cheerleaders. Always encouraging players . . . decorating lockers . . . practicing late at night . . . planning pep rallies . . . printing signs . . . and never letting up when others might be down. Sister Arlene, moderator, has emphasized leadership in all aspects of school and community involvement, and the cheerleaders at Marian have shown that they are indeed leaders.

Homecoming

On September 27, 1975, the Marian Football Homecoming took place. During halftime ceremonies, Senior Sandy Dewald was crowned Homecoming Queen; her escort was Don DeVreese. Other members of the court were Seniors Jeanine Bauters and Pat Trippel, and Debbie Hart and Mark VandenBoom; juniors Peggy Piatkowski and Jon Kozmic, and Cindy Linn and Tom VandenBoom; sophomores Chris Richardson and Kevin Kruggel; and freshmen Terry Miller and Chas Hepler.

The juniors took the $50 first prize for the best float.

After the game, a thrilling 20-14 win over Muncie South, the evening was brought to a fitting close with a dance in the gym.

Spirit Week-1976

During the week of February 9-13, halls were decorated, costumes were created, and each class put on a skit, all for Marian Spirit Week! The Seniors captured the award for best hall decorations, for the fourth consecutive year. Their hall showed a tropical scene, to fit with their theme, "Go Bananas!" That day people dressed as anything found in the tropic. The juniors called their day "Knights Are Too Good To Be True"; the hall resembled a page from a storybook and everyone dressed as storybook characters.

After the Spirit Week game, a disappointing 71-68 loss to North Liberty, a dance was held in the cafeteria. Here Chuck Sandor and Jeanine Bauters were crowned Spirit Week Knight and Lady.

Strike Up The Band!

Whoever said "Good things come in small packages" must have had the Marian Music Department in mind. This small but mighty organization produced quality music and entertainment throughout the school year. Mr. Thomas Palermo, director, did a superb job of conducting both the band and the Jazz Ensemble. The band played at all football and basketball games, gave special performances at the home football games and fired up the students at pep rallies. The Color Guard graced all home football games with their beautiful procession of the flag. Pom-pom girls provided halftime entertainment as they high-stepped and danced to the band's music. Our Jazz Ensemble has become one of the finest in the area. Everyone involved in our music department should be congratulated for their excellent work.

Dramatically Speaking . . .

The 1975-1976 Drama Department's offerings included two one-act plays, "Seven Wives for Dracula" and "The Monkey's Paw", as well as the spring musical, "Yankee Doodle".

Dracula, played by Don DeVreese in the comedy "Seven Wives For Dracula" by Tim Kelly, managed to accumulate seven wives in one evening's entertainment. Sue Shearer, Nan Adamson, Kathy Black, Kim Siarkowski, Patty Maguire, Ann Rice, and Annette Ernst, all in various contributing roles, comprised the wives and added to the merriment. Brad Bogart, Rick Fain, Mark Edwards, and Victor Derdak ultimately succeeded in resolving the dilemma and Dracula was forced (but only temporarily) back to his dank coffin.

"The Monkey's Paw" by W. W. Jacobs had Kim Burnett and Glenn Way in the lead roles as parents of Kathleen Murray, Rick Izdepski and Sue Wassenhove completed the cast.

Mrs. Virginia Black, assisted by her daughters Stephanie and Mary Kay, directed the one-act plays.

The Bicentennial musical "Yankee Doodle" by Tim Kelly, presented by Marian students April 9, 10, and 11, and then again on April 12 for the feeder schools, had Mr. Palermo as music director with Mrs. Black again serving as dramatic director. In the singing roles were Mike Kopec as Duke, Sue Shearer as Mary, Katie Willson as Carol, Nan Adamson as Audrey, and Pat Trippel as Mr. Hurley. Brad Bogart, Loretta Rudas, Kim Burnett, Patty Maguire, Ann Bauters, Glenn Way, Judy Andrzejewski, Rick Fain, Ron Klinedinst, Kevin Nagle, Johanna Pairitz, Sue Wassenhove, Annette Ernst, and Rick Izdepski completed the roster of major roles. Pom-pom girls, featured dancers, red-caps, and members of the band with Mrs. Lenore Palermo at the piano, contributed talents in musical vignettes, colonial skits, patriotic ditties, and background music as well as professional accompaniment.

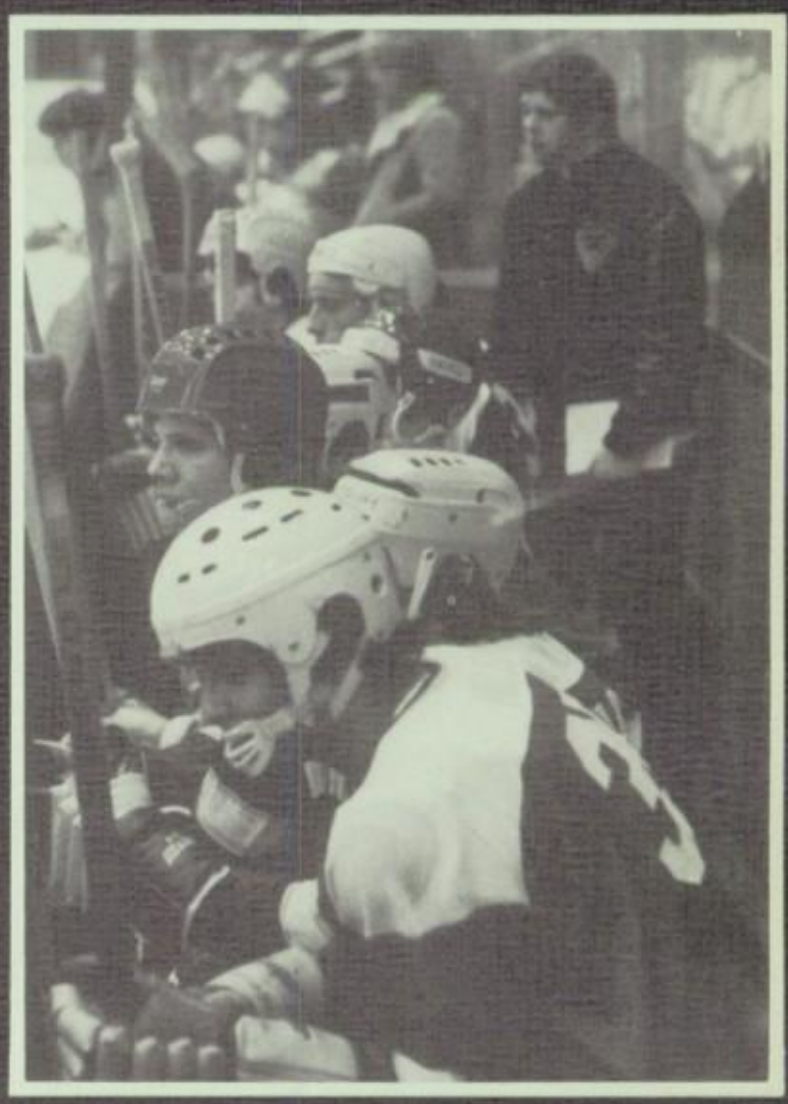
Icemen Gain Experience

Most of the 1975-76 Marian hockey team was composed of freshmen and sophomores who compiled a disappointing 1-21 record. A young team under the direction of Bro. John Disser, CSC, the icemen hope to have enough experience for an improved record next year. Twenty of twenty-two players returned as MVP Bemo Pallatin and MIP (most improved player) Jim Murphy both graduate. The leading scorer was Drew Crull with 11 goals, he also had 8 assists.



Girls' Track

In terms of individual performances, the 1976 girls' track season was the most successful to date. These performances, however, were not reflected in the team record of 2-13. The 1976 team set school records in seven out of thirteen events; these record-setters were Peggy Piatkowski, Mary Rice, Chris Richardson, Anne Rice, Kathy Murray, and Teresa McMahon. Ably coached by Dr. Charles Rice, a volunteer member of the faculty, the team was fully competitive against all its opponents except a few of the larger schools with "supertrack" programs. The girls worked very hard and improved steadily, as was shown when the team finished eighth in the Sectionals out of 23 teams. Sectional placers were Mary Rice, 2nd in the 440 and 880; Teresa McMahon, 4th in the 440; Chris Richardson, 10th in the mile; Jackie Hartman, 16th in the 880; and Mary Beth Rittenhouse, 10th in the 440. In the Regionals, Mary placed 3rd in the 880, and Teresa took 10th in softball throw. At the Spring Sports Assembly, Teresa McMahon received the Mental Attitude Award, Mary Rice was voted Most Valuable, and Most Improved went to Chris Richardson and Jackie Hartman. With only one graduating senior out of 21 runners, the outlook seems bright for 1977.

Netters Hurt By Bad Weather

The 1976 girls' tennis squad suffered through cancellations and inclement weather, but still played to a respectable 5-4 record. Wind, cold, and rain didn't stop the team, even though four of their meets were cancelled because of the bad weather. Four dedicated seniors, Connie Krizman, Jeanine Bauters, Kelly Foss, and Sally VanHoutdreve, boosted the team through their talents and spirit. The doubles team of Connie and Jeanine placed second in the Sectionals and lost in the Regionals to a fine team from Adams. Soph Karyle Katona and Freshmen Fran Willson and Mary Baele contributed, as well, to this year's team. Connie was voted Most Valuable Player, Jeanine received the Mental Attitude Award, and Karyle was named Most Improved.

The 1976 girls' softball team, under the coaching expertise of Mrs. Jackie Hutti and Assistant Jeanette Schrader, started out winning six of their first seven games, but then suffered through a slump at the end of the season, losing the final three games. In the city tournament, the team lost to a highly aggressive team from Washington by the close score of 14-13, eliminating them from further action. At the Spring Sports Assembly, Teri Schrader was voted Most Valuable, also receiving the Best Hitter Award with a .595 average. 19-3 Record For Golf Team

Head Coach Mike Hecklinski and Ass't. Coach Bill Davidson led the 1976 golf team to the most successful season in Marian history. With a 19-3 dual meet record, the Knights became a powerhouse early through hard work and game consistency. MVP for 1976 was Eric Bouwens, most improved player went to John Knoop, and Bill Voor received the mental attitude award. The highlight of the season came when the Knights won the LaPorte Sectional. Later, the Knights finished 6th in the LaPorte Regional. Team medalist was Eric Bauwens.

The B-team finished with an impressive 10-2 record.

Netters Surprise Everyone!

The Marian Boys' Tennis Team, under the direction of Mr. Cyril DeVleiger, racked up an impressive 11-2 record in its first year of competition.

Individually, the Knights were led by Colbourn at No. 1 singles, and by the No. 1 doubles team of Ganser and Wellin. Stuglik and Rosenthal were also consistent players, in the Nos. 2 and 3 singles spots. At the Fall Sports Assembly, Colbourn received the Most Valuable and Bender the Most Improved Awards, while Colbourn, Ganser, and Wellin were named the team's lettermen.

With all members of the 1975 squad returning, the 1976 season looks very bright. Under the skillful coaching of Mr. DeVleiger, the Knight netters' future will continue to be successful.

Cross Country: Over Hill, Over Dale

Running through sun and snow; in wind and rain; up hills and down; across fields, on paths, and in woods-this is the life of a cross-country runner. Coach Bill Davidson and his young team survived all this, and in the process chalked up a respectable 5-7 record. There were several close meets, unfortunately including a three point loss to St. Joe and a six point loss to Mishawaka. Balancing those losses were high points of the season: Tim Durham setting many course records, and some victories won by wide margins. Pat Hartman received the Most Improved Award at the Fall Sports Assembly, while Durham captured both the Most Valuable and Mental Attitude honors. The team will be losing two talented seniors, Mike Martin and Mark VandenBoom, but the experience of those returning will hopefully make next year a winning season.

Cindermen Look To Next Year

The 1976 boys' track season proved to be disappointing in some aspects, but successful in others. The team, coached by John Cybulskis and assistant Dave Risner, finished with a dual meet record of 2-5; the losses, however, were to "powerhouse" teams, such as Goshen and Penn. In larger meets, the team fared better. They won the South Bend Classic in Class C; placed fourth in the Red Division in the Andrean Relays; were tenth in Class B at the Goshen Relays; and captured second at the Concord Relays in Class B. A third in the City Meet and a sixth in the Mishawaka Sectionals ended the season for the cindermen. Junior Tim Durham continued the tradition of having a sectional champion each meet by winning the 880. Durham was named Most Valuable, Dave O'Connor won the Mental Attitude Award, and Pat Fras took Most Improved honors for the team. The loss of talented seniors will hurt next year's squad, but the strong group of underclassmen left and expertise of Coach Cybulskis should combine to make next year a success.

The 1975-76 wrestling squad, unde head coach Don Monhaut and assistan Brent Lea, posted a 7-2 record, the best in several years. The team made a strong showing in all of their dua meets; after losing the first two, they came back to win the rest. Included i those victories were a smashing 42-1 win over rival St. Joe, and an excitin 26-25 win over an evenly-matched team from Washington. The grappler continued their domination in tour neys, as well, capturing first-place trophies at both the River Valley and the Bremen Invitational Tourneys. The win at River Valley made history fo the wrestling Knights, for it was the first time in school history that the wrestling team won a tourney. They made a fine showing at the Sectional and Regionals, placing fifth in each meet. At the Winter Sports Assembly Dave Burks won Most Valuable honors Greg Heyde was voted Most Improved and Terry Holm received the Menta Attitude Award. Although the team i losing dedicated seniors, the experi ence and talent left among the varsity and B-team will contribute much t making next year another record-set ting season.

Girls Splash To Winning Season

The lady Aquaknights, in their third year under Coach Phil Niswonger, swam to their first winning season in history. The team finished the season with a record of 8-7, but 5 of the losses were against top ten teams in the state. In the Sectionals, they placed 11 people in the top twelve rankings, and finished fourth out of ten schools. They captured twentieth place out of seventy high schools in the state meet.

The Aquaknights were led this year by sophomore breaststroker Mary Rice. She brought home Marian's first sectional championship when she set a state record in the 100-yd. breast. In the state meet she placed third in the 50 and fourth in the 100-yd. breast.

Mary, in addition was voted by the team as Most Valuable. Senior Sue Gruber received Most Improved honors, and senior Johanna Pairitz received the Mental Attitude Award. Johanna, along with senior Meg Broderick, were named All-Americans.

6-4 Record For Aquaknights

The Aquaknights' boys' team, under the direction of Coach Phil Niswonger, completely reversed their past records of 0-10 and 0-11 with a winning season record of 6-4. The team won many exciting meets, including an eight-point win over rival Mishawaka and a two-point victory over Concord, where the lead changed hands fifteen times. One meet, against Washington, was won by forfeit, Because of their performance, the Aquaknights were asked to participate in the South Bend City Meet. Here the team placed fifth out of six teams. In the sectionals, which was the toughest in the state, the team placed fourth, and in the state they placed eighteenth out of 72 high schools.

The Aquaknights were once again led by junior freestyler and captain Dan Goerke. Sectional champion in the 50-yd. free, he placed fifth in the 50 and eighth in the 100-yd. free. Dan received both the Most Valuable and Mental Attitude Awards, as voted by the team. Bill Griesinger received Most Improved honors.

With most of the team returning next year, the future of Marian swimming seems quite secure.

V-Ballers Continue Winning

With four returning lettermen, Jeanine Bauters, Sally Van Houtdreve, Rose Marie Gnoth and Jan McManus, and the talents of Cathy Bauters, Lisa George and Peggy Piatkowski, the Knights rolled to a 12-1 season record, and were co-champions of the Northern Indiana Girl's Volleyball League. The only loss of the season was a heartbreaker to Riley. In sectional play, the Knights beat St. Mary's only to lose a close match to Clay in the semifinals.

Senior Jeanine Bauters was voted Most Valuable by the team. Most Improved honors went to Rose Marie Gnoth, and Jan McManus received the Mental Attitude award.

After a slow start, the B-team finished with an impressive 7-2 record. The B-team placed second in the Northern Indiana B-team tourney after playing some of the stiffest competition in the entire league. Although the Freshman team, only in its second year of existence at Marian, posted a 1-3 record, they gained some valuable game experience. With continued improvement and more game experience from these young Knights, the future of Marian volleyball looks bright.

Congratulations to Coach Dunphy and her Varsity, B-team and Freshmen teams on a fine season.

Marian's Convinced: We're No. 1 for Sure!

(More story on Page 4)

By ROBERT MILLER
Tribune Sports Writer

GREENFIELD, Ind. — Gary Tatman was plodding through the waist-deep snow of Hancock after the final whistle, finding up his duties began to assure Marian was No. 1.

Carmel, Valpo Prep — it was ... smashed the Marian defensemen, as he made his way through the hordes of Marian fans who crowded around the trophy presentation after Friday night's 14-0 Marian victory.

And when Dave O'Connor was announced as the winner of the Phil Eskew award, another cheer went up.

[illegible] could have terminated ... said Marian coach Mike Hecklinski. "Unfortunately for Gary, we used it a time or two and his SAT scores were something over 1,400 or maybe Scholastic. But we had lots of supporters about him, but his goal is to get a little education, and he has his eye on the Ivy League. What he needs is speed, he makes up with his brains."

When the Knights finally made it to their dressing room, a Wabash-ska polka [illegible] was waiting with cold refreshing.

"I don't believe there is any team in the state as good as we," said Hecklinski, who also revealed that Scottie, who ranks 22nd in his class academically, is also seriously considering the Ivy League as his future.

He wants to go this weekend ... said Hecklinski. He said praise to his assistant ... and quick to the Knights, whom he coached. "We have football players I've ever coached, considering all the things he can do. He doesn't have that great breakaway speed that the major colleges look for, but has the capabilities to play big time college football.

Hecklinski admitted that before the season started, he was unsure that it could end the way it did Friday night.

"Considering the people we lost back, we thought it could be a good year, but to have a season like this one would seem fantastic. The key to the season has been balance. No [illegible] when people will give us. We pass when we want to, run when we have to."

Tonight we had a [illegible] ... said Hecklinski. "We started to what happened could be ... and we knew that Hammond had great speed and was a fine ... but we didn't key on either of them. As it's to key on either instead. I've found that when coaches [illegible] defense we are successful ... opponents who will have a [illegible] and kill you. We thought Greenfield would have to go to the air and we wanted to put strong pass on Hammond."

Like Marian, Greenfield's [illegible] is dominated by an defensemen. "We [illegible] Commissioner Phil Eskew pointed out at the ... game ... but that these two could [illegible] and ... Hammond finish.

The 1975 Marian Knights rolled to an 11-0 record en route to the AA State title. It was the second championship in three years under head coach Mike Hecklinski and his staff. The championship game football and trophy is added to the trophy case in the photo at top; Dave O'Connor receives the Phil N. SPIRIT at Marian is something that lives in every student, every teacher, every team. SPIRIT made thirty-odd men dedicate themselves to one purpose, one goal. And in the end, SPIRIT carried them to the top-they became the champions.

The Blue Machine defeated everyone in their regular season schedule including a fine victory over a powerful archrival St. Joe as they won the District AA title and ranked third in the state. The final two games for the Semi-State and State titles left the Knights kings of Indiana high school football.

Senior Dave O'Connor was presented the Phil N. Eskew Mental Attitude Award. Chuck Sandor, Kevin Motts, and O'Connor were All-State selections. In addition, Motts, who holds every Marian tackling record, was honored as a Parade All-American. Motts and Sandor were named Catholic All-Americans. Tom Male, Tom George, and John Mauro earned Junior All-State honors, while Gary Vargyas, Motts, Sandor, O'Connor, Male, and Mauro were first team Catholic All-Star choices.

Perhaps the best award came last when Head Coach Mike Hecklinski was named "Coach of the Year." Congratulations also to assistant coaches John Ferrettie, Ben Karasiak, Dave Risner, Brent Lea, and Don Monhaut for a job well done.

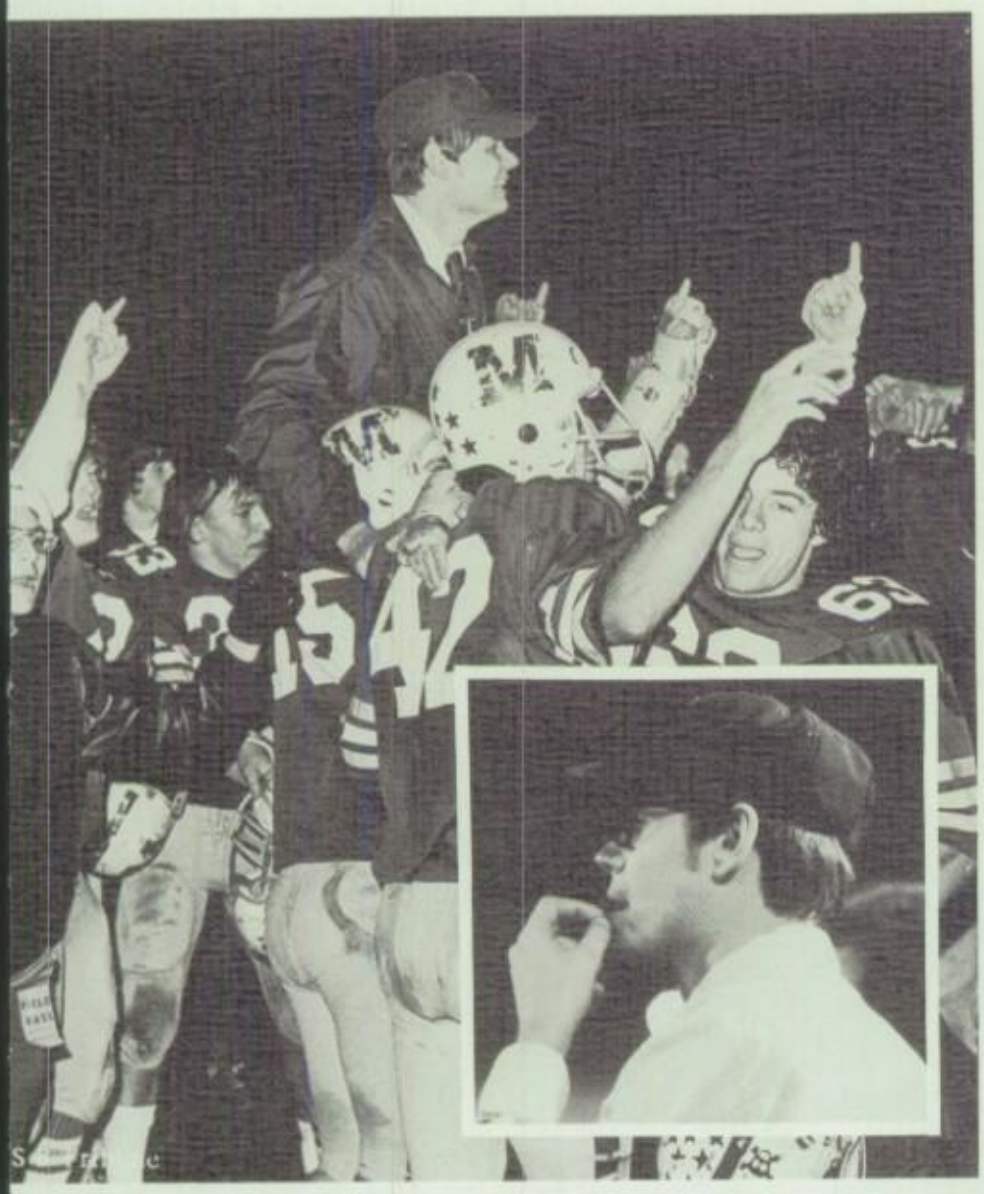
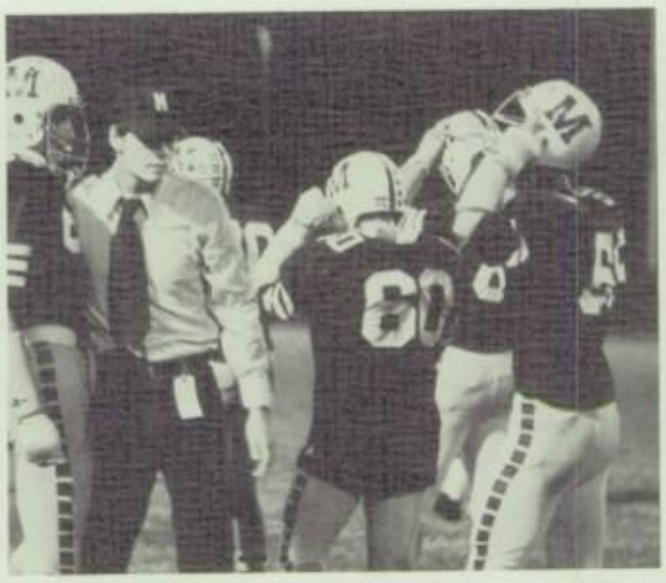
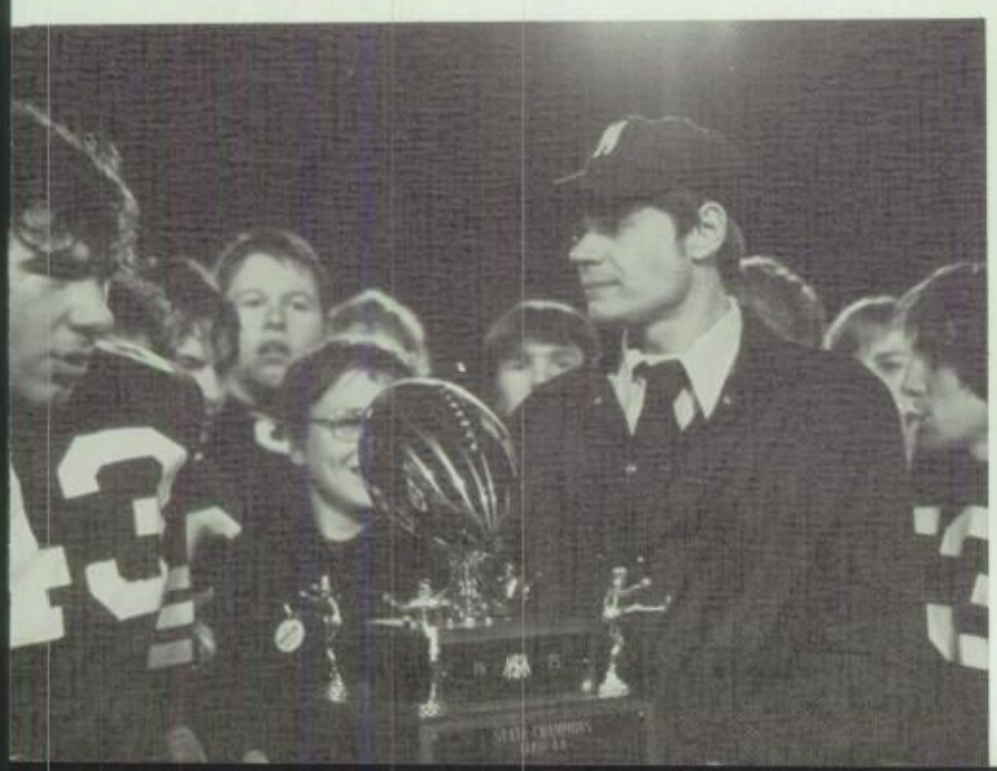
Seldom has a team been so sure of what rank they should have.

"Excellence is never granted to man, but as the reward of labor." When Reynolds stated this, he did not specify a particular group of people that this was applied to, but it describes exactly the life of a football coach. What is his labor? It mostly is time. Time spent on the field and in the locker room, encouraging, teaching, praying, directing-taking individuals and molding them into one unit, one team with enough talent to be the best in the state. The long hot summer days fade into cool, crisp autumn nights. The opponents fall, one by one. Finally, the culmination-the reward for the months of labor-a state championship. And as he is carried off the field on the shoulders of his players, the long hours of time spent working seem all worthwhile.

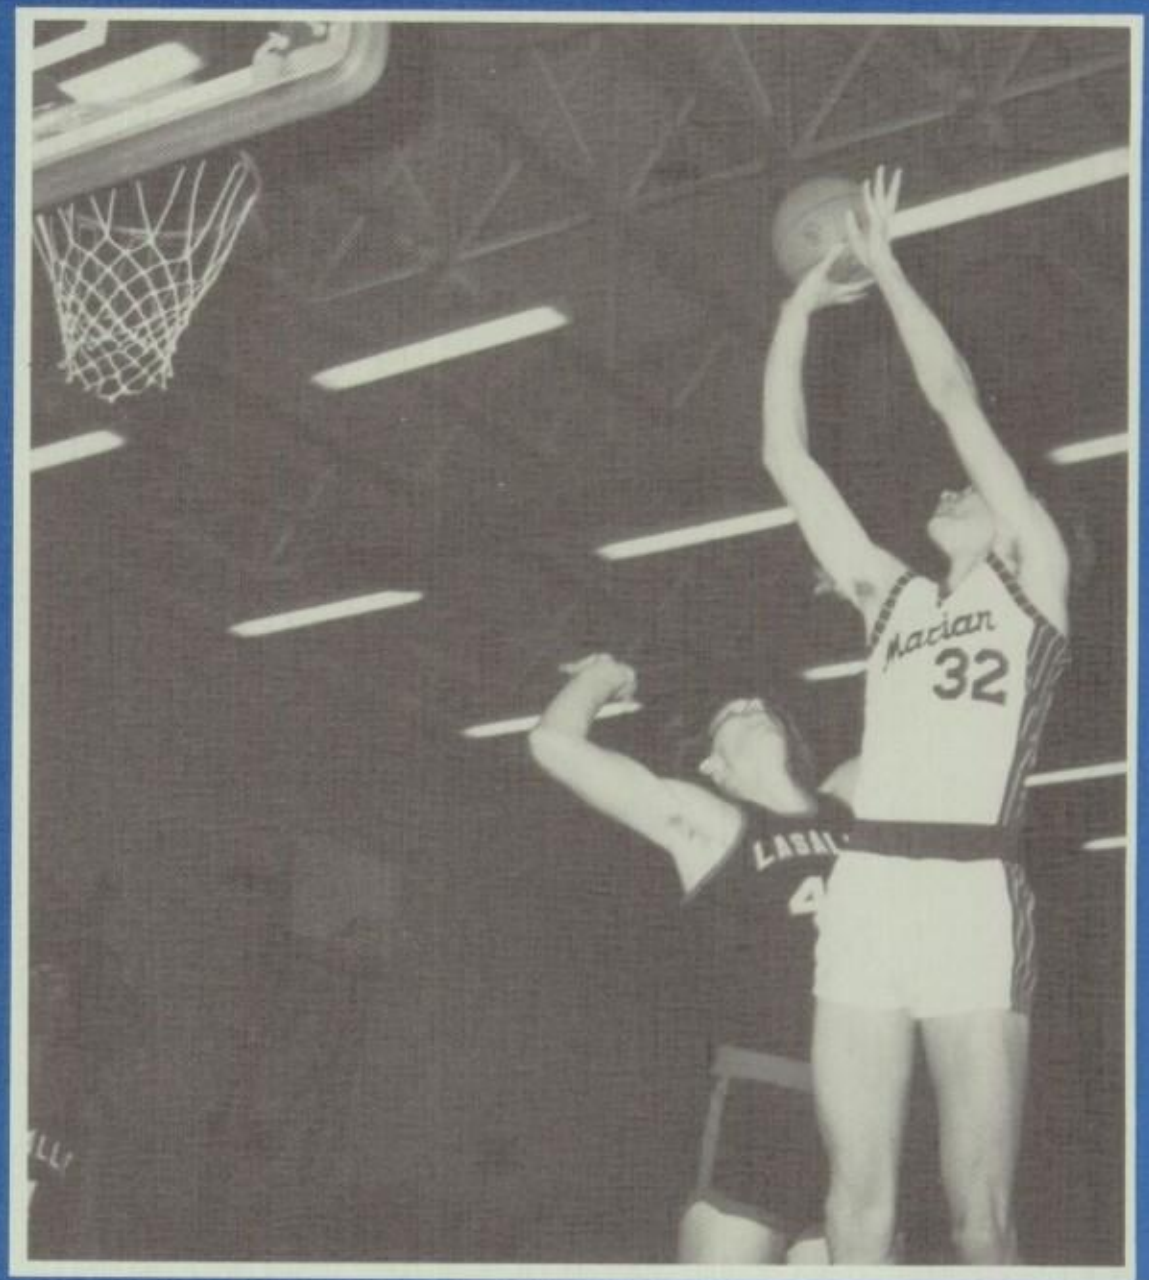


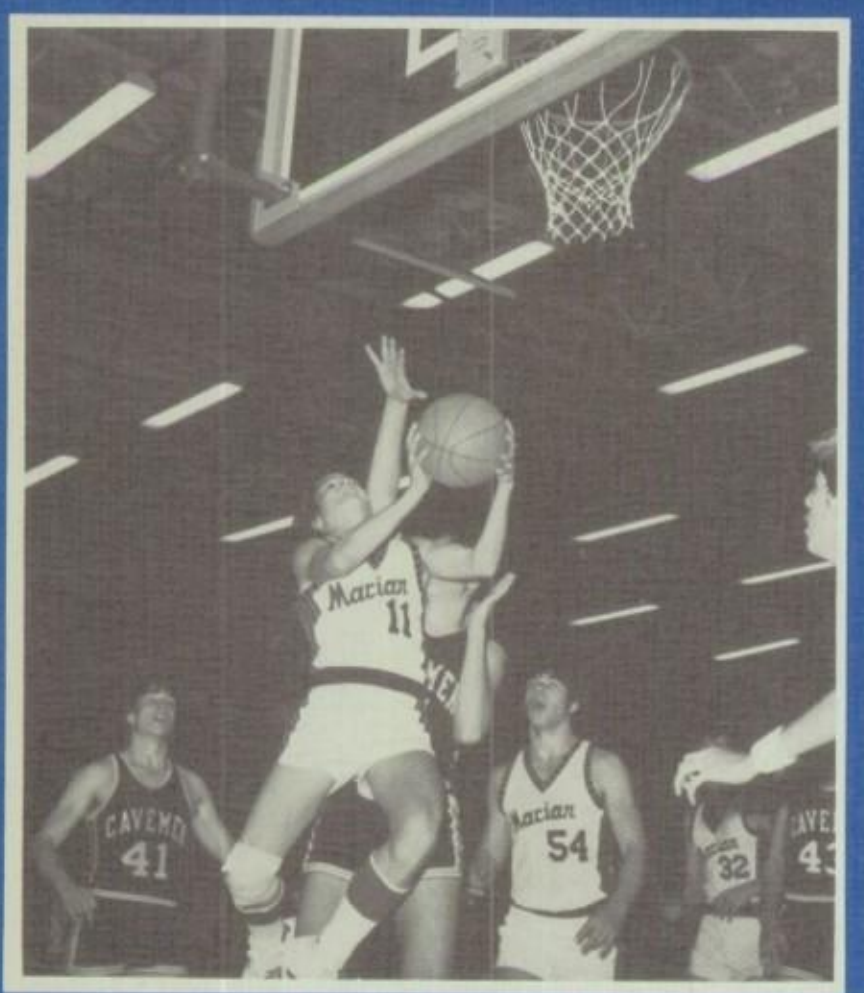


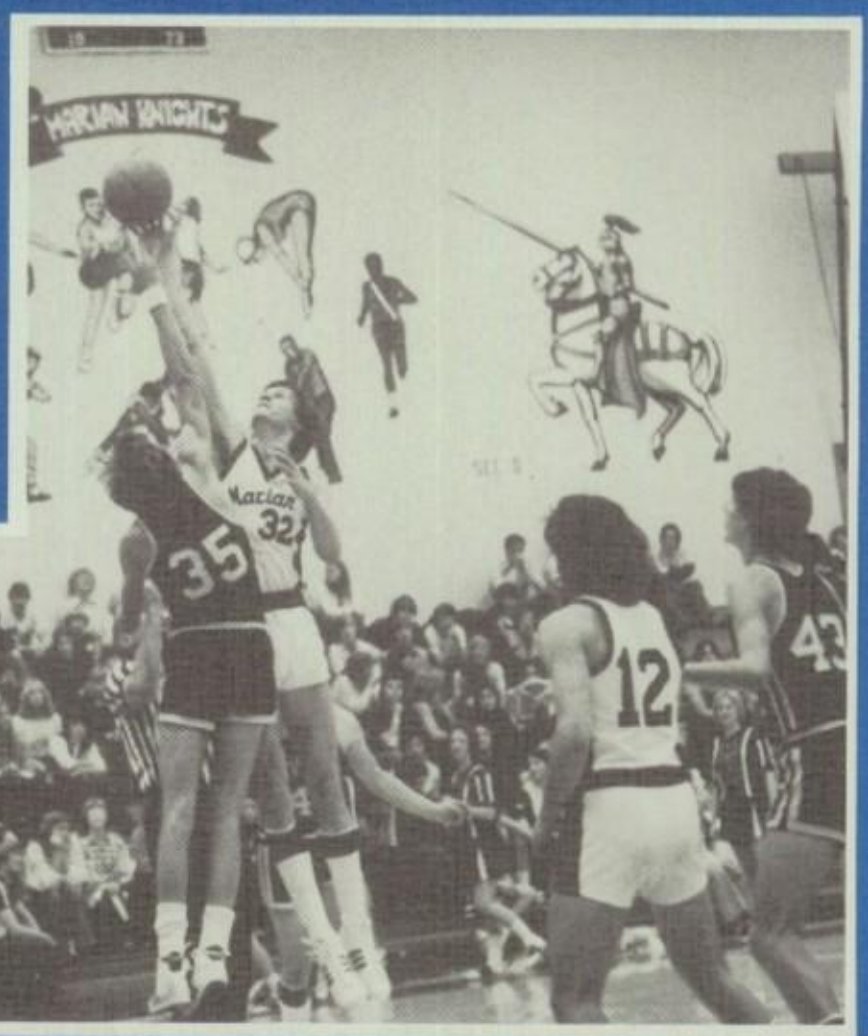


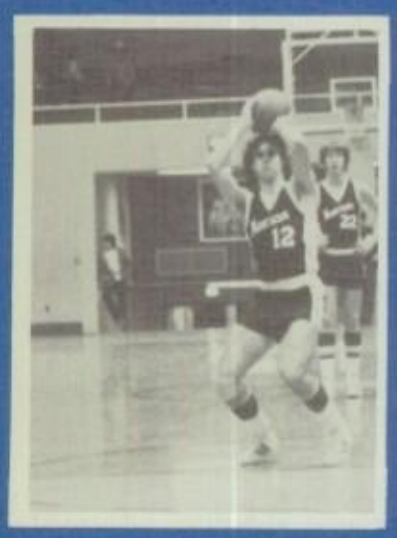
Knight Roundballers Go 9-12!

The year 1976 saw the Knight basketball team, under the guidance of Head Coach John Cybulskis, and first year assistant Paul Sovinski, achieve a 9-12 record, one of the best in five years. Paced by many outstanding juniors and seniors, the team began the season well, but suffered a damaging slump at the end. Senior Kevin Motts led the team in total points (323); Jim Williams, a senior, was a close second with 300 points. Williams also led in rebounds with 245. Junior Mike Harley was the team leader in assists and in field goal percentage (51%). Kip Wellin, a junior, led the team in free throw percentage with 79%.









TO ENDURE IS THE FIRST THING THAT A CHILD OUGHT TO LEARN, AND THAT WHICH HE WILL HAVE MOST NEED TO KNOW. JEAN JACQUES ROYSSEAU

Twenty-four hours a day, seven days a week, for the entire basketball season, the coach is constantly faced with the problems of a long-seasoned team-oriented sport. Schedules, mental readiness, analyzing opponents, looking for the best combination, worried about player sickness throughout a long winter-are all concerns of a dedicated coach. He must listen to players, parents, fans, and the press with equal time. What does all this add up to? Simply, a basketball coach has more ups and downs than a roller coaster. The downs-a slump at the endof the season. Losing to a team that wasn't suppose to win. Each and every defeat is hard to take. It only takes, however, one victory to erase all the previous losses before. The exultation after a well-deserved win can balance almost any defeat. Perhaps Drysius put it best when he said, "A brave man falls but never yields, because whoever endures, conquers."

The varsity cagers lose the services of starters Jim Williams and Kevin Motts, as well as Mark Vandenboom, Steve O'Malley, and John Tuskey through graduation. But the future looks bright as starters Tom George, John Mauro, Mike Harley and Kip Wellin all return next year. Along with Richie Rucano and several B-team standouts the Knights should be quick with plenty of shooting power and adequate game experience.

B-Team Cagers Finish 13-7!

In his second year, Coach Bill Davidson led his team to a fine 13-7 season record. The B-team was one that steadily improved and matured into a ballclub characterized by hustle, pride and determination. Victories over St. Joe in overtime, and the Holiday Tournament were highlights of the season. Players chosen by their teammates as the MVP and MIP were Bill Baker and John Jeziorski. Bill Baker and Mike Frisoni were members of the "1000 point club" which is a traditional tabulation of superior performance in all aspects of the game.

The Freshman Season

Constant improvement was the important aspect seen for Steve Rethlake's Frosh Cagers. The Freshman basketball team ended the 1975-76 season with a 6 and 10 record. In his first year, Coach Rethlake developed several individual players and finally put it all together with four consecutive wins that included an impressive victory over a tough and favored Washington. Mike Horvath received MVP honors as well as best free throw percentage. Bill Rogers was named MVP and had the best shooting percentage from the field. Kevin Brugh collected the most rebounds, and Ed Sullivan was named MIP, (most improved player).

Knights Knock out 19-12 Record!

The 1976 Knights brought aggressive, disciplined, and exciting baseball to Marian. Under the leadership of first-year coaches Ben Karasiak and Paul Sovinski, the Knights built a sound and competitive program. The successful 19 and 12 season has been the first winning season in several years.

Offensively, the Knights were led by Tom Male, the team's Batting Champion with a .378 average, Greg Heyde, .320, Paul Kazmierczak, .325, Tim Prister, .259, Gary Vargyas, .265, and Brian Sturglik, .257, all contributed solid hitting performances. The Knights' pitching staff was led by the team's Most Valuable Player, Greg Heyde, with a 4-1 record. The pitching rotation included Tim Prister, 2-1, Tom Male, 4-2; David Yates, 4-3; and Paul Kazmierczak, 3-3. Bullpen duty was shared between Terre McMahon, 2-0, and Steve Lambert, 0-1 with two saves.

First Baseman Brian Stuglik won the Most Improved Player Award, anchoring an infield dominated by underclassmen. MVP went to Greg Heyde. All in all the 1976 season was very successful, and the future of Marian baseball looks bright.

Behind an unopened door were all the new experiences of high school . . . we crossed the threshold and met new challenges with success

President Ed Sullivan, Vice-President Pat Shearer, Secretary Traci Holland, Treasurer Chas Hepler

Energy and ingenuity were the bywords of the class of '79, led by President Ed Sullivan, Vice-President Pat Shearer, Secretary Traci Holland, and Treasurer Chas Hepler.

The year began with a frosh "get-together" party in the cafeteria. Because of fine support, this and all other frosh activities were successful. The theme for the Homecoming float was "Break the Rebel Wishbone." The frosh representative on the court was Terry Miller, escorted by Chas Hepler. The freshmen decided on "Knights on Broadway" as their theme for Spirit Week. The hall was decorated with posters of film stars, past and present, flashing lights, and movie marquees. In their assembly, after a "parade of stars" show, a silent movie was shown with Brad Bogart narrating.

Class sponsors were Barb Szucs and Gerry McDonald.

President Bill Baker, Vice-President Kevin Kruggel, Secretary Mary Murphy, Treasurer Monica Morin.

President Bill Baker, Vice-President-Kevin Kruggel, Secretary Mary Murphy, and Treasurer Monica Morin led the sophomore class of '78 through a year filled with involvement and leadership. The Homecoming float, capitalizing on the fame of "Jaws," was entitled "Chew 'Em Up." The soph representative on the court was Chris Richardson, escorted by Kevin Kruggel. The cry from the soph hall during Spirit Week was "Follow the Victory Road." The hall decorations were patterned after the underlying theme, "The Wizard of Cybulskis." At the assembly they presented a take-off on the "Wizard of Oz", complete with Dorothy (Ann Bauters), Toto, Munchkins, and Coach Cybulskis (alias Bill Baker). The last week of April found the sophs running around comparing styles and prices on class rings, which will be received at a special Mass next year. Class sponsors were Steve Rethlake and Linda DeHahn.

Ready to be the leaders next year

Left to Right: Cathy Bauters Secretary, Fred Kalil Vice-President, Kip Wellin Treasurer, Ann Nicolini President

Under the direction of President Ann Nicolini, Vice-President Fred Kalil, Secretary Cathy Bauters, and Treasurer Kip Wellin, the junior class of '77 had a fine year. The Homecoming float, "Blast 'Em," took first-place honors in halftime competition. Junior members of the court were Peggy Piatkowski, escorted by Jon Kuzxic, and Cindy Linn, with Tom Vandenboom as her escort. Class rings were distributed at a special Mass on December 8. "Knights Are Too Good To Be True" was the Spirit Week theme, and the junior hall carried this theme out as a page from a storybook. Skits at the assembly were patterned after fairy tales, such as, "Little Blue Riding Knight," and "The Knight Athlete Built By Coach Cybulskis." Representatives on the court were Cathy Bauters and Maribeth Doran. The climax of the year came on May 14, when, after months of planning and work, the Junior-Senior Prom took place at the Albert Pick Hotel, with the theme "A Dream Goes On Forever." Class sponsors were Sr. Arlene and James McDonnell.

Just as the high ideals set forth in the Declaration of Independence would have been futile without General Washington and his Continental Army, the programs and promises of Marian High School would go wanting without the tremendous support of the Mothers' Club and the Booster Club.
This is our tribute to all of the dedicated and generous persons who make those clubs successful.

Thank you,
The MADRIGAL Staff
